Welcome

Little Squirrels Community Nursery is independent and privately run. We are situated in Nicholson Road on Ryde Business Park, Ryde IW PO331BQ

We share resources and liaise on a regular basis with our sister business, St George's Nursery & Pre School at Arreton St George's CE Primary School.

A place in our Nursery is NOT dependant on entry to the local primary schools. We welcome all children, and with the help of their parent/carer, we will liaise with whichever school the child will eventually attend and help to support you with the school transition process.

We are regulated by the IW Council Early Years Department and OFSTED, with whose standards we must comply, we are also inspected on a regular basis. Latest inspection reports can be found at: <https://reports.ofsted.gov.uk/inspection-reports/find-inspection-report/provider/CARE/EY235868>

There is an ongoing commitment to staff training within the group and we aim to make provision for all staff to upgrade their training as appropriate. We close our premises for one day each summer in order to bring all of our staff together for a training session to share ideas and update our professional development.

The aim of our Nursery is to provide a positive learning environment, in a warm and friendly atmosphere. A wide range of opportunities are made available to the children in the six recognised areas of development as set out in the Early Years Foundation Stage 0 – 5 years.

We ask all children to bring in a named water bottle each day.
Children who attend over lunchtime will need to bring a packed lunch with a drink.

We promote and follow a 'healthy eating' policy at nursery and we also ask you not to include nut products within their lunch boxes due to allergies. – See healthy lunches leaflet.

We try to operate an 'open door' policy; we are available to discuss your child's day with you at the beginning or end of each session. If you have a concern regarding your child or there is a change of situation that may affect your child in some way, please let us know. If you wish to see someone in private, please make an appointment to see us. A child will probably not tell us about a major event in their life, but it can have a great relevance to their attitude to the Nursery.

Our daily activities are very much 'experienced' based and we promote and encourage 'learning through play'. We include a time for outside play in each session.

We follow our own curriculum and are led by the children, planning our activities around the children's current interests and specific needs.

Don't worry if your child does not bring home something they have made every session, all children are different and your child is getting as much enjoyment and learning through playing as they do from creative activities. We promote 'process not product' and like to encourage the children to explore and experiment artistically instead of enforcing a rigid approach to creating a 'finished product'.

We ask that all fees be paid promptly and at the beginning of the month, for that month.

Any outstanding fees carried forward to the next month's invoice will incur an interest charge, currently standing at 10% (subject to change).

We regret that we have to charge you even when your child is absent through illness or personal holidays, however we have to maintain statutory levels of staffing ratio's.

Before your child starts their Nursery sessions, one month's fees are required as a refundable deposit. Without this your child will not be able to begin Nursery unless using government funded hours only.

If you wish to withdraw your child from Nursery or make significant changes to their hours/days, one months' notice is required.

Please send your child in with practical clothes and shoes, we play outside daily, ride on bikes and trikes and explore different sensory materials. We like to encourage children to 'dress for mess' and ask you not to send them in wearing special clothing.

It is very helpful if you can provide a warm waterproof coat, gloves, welly boots for cold weather. Please make sure that these and other belongings are clearly named.

Because losses happen so easily, please do not let your child wear jewellery to Nursery, except small stud earrings if necessary. For the same reason we do not like children to bring in money, sweets or treasured toys that might get lost/broken and cause upset.

Another more important reason not to bring small items to Nursery is that children are inclined to put things in their mouths and can easily choke on them.

We will ask all new children who register with us to provide their original full birth certificate to us for verification, these details will be recorded on the registration form.

We hope this information has covered most of the things you need to know. Please feel free to see the Manager or any member of staff if you have any questions.

We hope that you and your child will feel happy and settled within our group and that they will grow and develop to their full potential.

At the start of the term following your child's 3rd birthday they are entitled to government funding of 15 hours per week for 38 weeks per year. From September 2017 this has been extended to 30 hours per week, subject to meeting the government criteria. See: www.childcarechoices.gov.uk

You may 'stretch' this entitlement over the entire term, hours available each week may vary as the number of weeks per term are different. The Manager of the setting will discuss funding options with you before each new term.

Little Squirrels Community Nursery is open 50 weeks a year and operates throughout school holidays, fees are payable during these periods unless you are accessing 'Term Time' only funding.

We are closed during the Christmas period and all Bank Holidays and you will not be charged for these times. We also close periodically for staff training; these days will be set in advance and you will not be charged for these days.

Occasionally we organise Nursery events and we will close earlier than normal, as much notice as possible will be given to all families.

We hope this information has covered most of the things you need to know. Please feel free to see the Manager or any member of staff if you have any questions.

Please can you download and read the policy documents from www.little-squirrels.co.uk and if you would like your child to attend Little Squirrels Community Nursery, please complete the enclosed booking form and return it to us together with the registration form.

Thank you.

This will only be considered after consultation between nursery/pre school and parents/carer's has been offered. If you decline to participate in this consultation the decision will be made without your input.

Withdrawal of a Nursery/Pre School place might be for one of the following reasons;

(this list is not exhaustive).

- Repeated non-attendance of the child without a satisfactory reason.
- Exceptionally disruptive behaviour of a child where additional professional support is not available.
- Persistent lateness in collecting your child.

Dear Parents/carers

Thank you for requesting to set up an online Learning Journey account for your child.

Tapestry is a GDPR compliant company using secure servers in the UK to store data, further information regarding the security of tapestry is available, a copy will be added to the policies and procedures folder in the parent information box or a copy can be emailed by request to the manager.

We will use Tapestry to record observations, comments and photos to show progress across the Early Years Foundation Stage, this will compliment other forms of observing and assessing already in place. You will be able to access your child's Learning Journey from a computer via <https://tapestryjournal.com> or by using the 'Tapestry' App on mobile devices, you will only be able to access this by using the log in details that you set up yourself once we have sent you a link via email. This will only give you access to your own child's Learning Journal, other family members can be given access on your request. The only people in pre-school with access to your child's Learning Journal will be the Manager, Deputy Manager, your child's key person and if applicable SENCO or DSL who will be responsible for managing your child's Learning Journey. Staff will only be able to log in to their own key children's Learning Journey's via a log-in pin code, and only on devices provided by the pre-school, they will not be able to log in on any other devices away from the setting. The manager is required to log in on all devices using a secure username and password before staff can log in using their pin codes.

Many of the most meaningful photographs taken in pre-school show children interacting in group play or activities with peers, we therefore ask that these photos are for your own viewing and not shared publically or uploaded onto any social media websites, this is in line with our 'Social Networking' and 'Mobile phone/camera' policies (both are available to view in pre-school or via www.little-squirrels.co.uk) failure to comply with this request will result in the suspension of your child's online Learning Journey.

We hope that this system will prove to be a positive step in sharing information, as well as viewing our contributions, you will also be able to add comments, photos and video.
Please provide us with your email address in order to receive your link.
